

Acacia 'Limelight'[®] Grafted Standard

LUSH DECORATIVE FOLIAGE

Origin: Mt Gambier, Australia
Species: *Acacia cognata* 'Limelight'
Protection Status: PBR protected

Full sun

Part shade

Height Approx. 1.5m

Spread to 1m

Features:

- Unique standard form with natural dome shape habit
- Decorative fresh lime green foliage
- Year round ornamental value
- Dry tolerant
- Easy to grow the minimal maintenance
- New age Australian native

Suggested Uses:

- Create a distinctive formal touch to the garden
- Either side of entranceways and driveways
- Large containers or garden beds
- Adaptable for use in native, exotic or oriental style gardens

Water Requirements:

Low. Once established, quite dry tolerant requiring only occasional deep watering during extended periods of heat.

Care:

Plant in most soil types that are well draining. For optimum results feed in spring with a fertiliser formulated for natives. Support the plant with a stake until established.
