WIDTH 50CM

## FEATURES

- Long flowering
- Evergreen perennial with a tidy growth habit
- Multi-toned pink flowers sit atop lush green foliage

## USES

- Elegance and style for shady nooks
- Plant under established tree canopies
- Containers or garden beds

## CARE

Plant in any soil that is well draining. Tidy after flowering by removing old flower heads. If growing in containers or full sun, care should be taken not to allow to dry out completely. For best results, feed in late autumn and spring with a slow release fertiliser before and after flowering.

*\*Performance indoors will vary due to conditions within each environment.*
