*Hannah's Blush' is a stunning new addition to the Indoors for a moment, outdoors for a lifetime collection. Enjoy 'Hannah's Blush' inside for up to three weeks\*, before planting in a shade loving location in the garden. With outstanding flower power and performance, 'Hannah's Blush' will reward you year after year.*

## FEATURES

- Beautiful mid pink flowers from winter to spring
- Flowers with a unique dome shape
- Vigorous evergreen perennial with a tidy growth habit

## USES

- Elegance and style for shady nooks
- Plant under established tree canopies
- Containers or garden beds

## CARE

Plant in any soil that is well draining. Tidy after flowering by removing old flower heads. If growing in containers or full sun, care should be taken not to allow to dry out completely. For best results, feed in late autumn and spring with a slow release fertiliser before and after flowering.

*\*Performance indoors will vary due to conditions within each environment.*
