

HELLEBORUS

'RUBY DAYDREAM'

With its stunning evergreen marbled foliage and deep burgundy flowers, 'Ruby Daydream' is destined to become a popular addition to the range of these wonderful winter-flowering plants. Simply lovely upright blooms are of the most divine deep plum colour, and are beautifully highlighted by prominent yellow stamens. These make a show-stopping display as an indoor plant for several weeks*, and will then continue to win hearts in any semi-shaded border or as a delightful container plant.

FEATURES

- Beautiful deep burgundy flowers from winter to spring
- Flowers with a unique dome shape
- Vigorous evergreen perennial with a tidy growth habit

USES

- Elegance and style for shady nooks
- Plant under established tree canopies
- Containers or garden beds

CARE

Plant in any soil that is well draining. Tidy after flowering by removing old flower heads. If growing in containers or full sun, care should be taken not to allow to dry out completely. For best results, feed in late autumn and spring with a slow release fertiliser before and after flowering.

*Performance indoors will vary due to conditions within each environment.
