

Origanum 'Bellissimo'

HOT AND DRY

Origin: Tasmania, Australia

Species: *rotundifolium x scabrum x tournefortii*

Protection Status: PBR protectable

Full sun

Full sun/part shade

Height 20cm

Spread 40cm

Containers

Dry tolerant

Features:

- Stunning plum coloured blooms in summer and early autumn
- Long lasting flowers
- Tolerant of hot and dry conditions
- Lovely aromatic foliage
- Compact with attractive weeping habit

Suggested Uses:

- Bright garden colour throughout the warmer months
- Rockeries and borders
- Spill over retaining walls and embankments
- Containers

Water Requirements:

Low. Tolerant of hot and dry conditions. Requires only an occasional deep soak during periods of extended heat.

Care:

Plant in a full sun position, in a well drained soil for optimum results. Remove old growth and apply a slow release fertiliser when new growth appears in spring.

Ornamental use only
