

Salvia

'Love and Wishes'[®]

A PROUD SUPPORTER OF
MAKE-A-WISH[®] AUSTRALIA

LONG FLOWERING

Origin: NSW, Australia

Species: *Salvia buchananii* hybrid

Protection Status: PBR protected

Full sun

Full sun/part shade

Height 80cm

Spread 80cm

Features:

- Deep purple flowers right throughout the warmer months
- Tubular flowers supported by deep purple calyx that remain for a long time creating additional interest
- Large flower spike can grow to exceed 30cm in length
- Lush deep green foliage
- Fast growing

Suggested Uses:

- Mass plant in drifts for stunning low maintenance displays
- Large containers
- Fast results for new gardens
- Mixed garden beds
- Low maintenance and waterwise gardens

Water Requirements:

Dry tolerant once established. Give an occasional deep soak during periods of extended heat.

Care:

Grows well in most soil types but thrives in fertile well drained soils. Prune by one-third after flowering to maintain shape and vigour and encourage further flowering flushes. An application of slow release fertiliser in early spring is beneficial.
