

HAKEA

'STOCKDALE SENSATION'

RICH WINTER COLOUR

Hakea 'Stockdale Sensation' is a spectacular cultivar that makes a striking statement during the cooler winter months. A profuse covering of unique red and cream pin cushion flowers provide a show-stopping display. This variety of Hakea is fast growing and offers a dense, weeping habit with narrow foliage and prolific flowering in winter.

FEATURES

- Profuse covering of spectacular red and cream pin cushion flowers
- Attractive and unusual winter colour
- Fast growing
- Dense weeping habit with narrow foliage

USES

- Medium sized, showstopper feature plant for the garden
- Distinctive flowers for a unique display
- Colour and interest throughout winter

CARE

Low water requirements. Once established requires only an occasional deep watering during extended periods of heat. Plant in most soil types that are well draining. Prefers a sunny site for optimum flowering. Prune as required. Flowers may be cut for indoor displays.
