

Hydrangea **You & Me** Series

SELECTION OF COLOURS

Origin: Kyoto, Japan

Species: *Hydrangea macrophylla*

Protection Status: PBR Protected

Part Shade

Height 80cm

Spread to 1m

Features:

- Outstanding garden and pot performance
- Beautiful and unique double blooms
- Flower display begins in late spring through summer
- There are 5 shades to choose from:
'Desire'
'Forever'
'Romance'
and now the new **'Peace'** and **'Perfection'**

Suggested Uses:

- Containers or tubs
- Small gardens, patios or courtyards
- Colour for shady entertainment areas

Water Requirements:

Medium. Keep the roots moist and protect from hot westerly winds.

Care:

Plant in most soil types that are well draining. Prune back to 1/3 of size during winter. Feed in early spring with a slow release fertiliser for best results. Fertilise more often if grown in containers, according to manufacturers recommendations. The colour of Hydrangeas can vary depending on the soil pH.
