

Blueberry®

Boysenberry®

Sugarberry®

Strawberry®

Sweetberry®

Mulberry®

Lavandula pedunculata ‘Ruffles’ Series

SELECTION OF COLOURS

Origin: Victoria, Australia

Species: *Lavandula pedunculata*

Protection Status: PBR protected

Full sun

Full sun/part shade

Height 60cm

Spread 80cm

Features:

- Compact variety bred in Australia to suit Australian conditions.
- Flowers sit just above the foliage and are more tolerant of humid conditions than other Lavenders currently available.
- Chunky bracts atop the flower heads are distinctively rippled along their margins to give the ‘ruffled’ appearance
- Main flowering period from late winter through to spring

Delightful selection of colours, including:

Boysenberry® – musky pink with deeper centre

Mulberry® – deep pink

Blueberry® – striking purple/blue

Strawberry® – mid pink

Sugarberry® – mauve/pink

Sweetberry® – very light, soft pink

Suggested Uses:

- Ideal for paths, entrance ways and entertainment areas where the aroma can be appreciated as well as the flower colour
- Low hedging
- Sensory and children’s gardens
- Containers

Water Requirements:

Low. Dry tolerant once established.

Care:

Plant in a sunny location in well draining soil. A light prune after the main flowering flush will encourage a bushy habit. A boost of slow release fertiliser during spring will optimise performance.
